Although the headline ranking figures show several changes in the survey this year, what is equally significant is the pattern of clustering among the schools. Shading on the tables denotes the four different clusters.

* Index: top score = 100

** Percentage increase from start of MBA to today

*** Rank

**** Estimate

***** KPMG reported on the results of obtaining evidence and applying specified audit procedures relating to selected data provided for the Financial Times 2002 MBA survey ranking for selected business schools. Inquiries into the process can be made by contacting Michelle Podhy and Patrick Gaudet of KPMG by email at mpodhy@kpmg.ca or pgaudet@kpmg.ca

The specified audit procedures were carried out during November and December 2001: the audit date denotes the survey for which the specified audit procedures were conducted.
